1	OGIER Sébastien/INGRASSIA Julien	FRA/FRA	CITROËN C3 WRC
"It's a good stage for us - I am happy with that one."			
4	LAPPI Esapekka/FERM Janne	FIN/FIN	CITROËN C3 WRC
"It's not too bad. There is something a little weird, but I don't know what it is."			
5	MEEKE Kris/MARSHALL Sebastian	GBR/GBR	TOYOTA Yaris WRC
"The guys at the front are making a difference, but it's difficult to do without taking any big risks. My plan for the morning was to hold tight for Baumholder, because in 41 kilometres anything can change."			
6	SORDO Dani/DEL BARRIO Carlos	ESP/ESP	HYUNDAI i20 Coupe WRC
"This stage was not so good for me. I tried to be clean everywhere, but in two places I could have done a little bit more. It's stupid to take too many risks."			
8	TÄNAK Ott/JÄRVEOJA Martin	EST/EST	TOYOTA Yaris WRC
"I had a clean run. There is quite a bit of dirt, but the gaps are small. Now the big stages are waiting - that should be more interesting"			
10	LATVALA Jari-Matti/ANTTILA Miikka	FIN/FIN	TOYOTA Yaris WRC
"I thought it was okay. This stage was very good, I managed to get myself more relaxed and I was enjoying the driving. I think the time should remain good."			
11	NEUVILLE Thierry/GILSOUL Nicolas	BEL/BEL	HYUNDAI i20 Coupe WRC
"I tried but we have to see. I had a good rhythm and feeling with the car. The morning is done and the afternoon is going to be a different story."			
17	KATSUTA Takamoto/BARRITT Daniel	JPN/GBR	TOYOTA Yaris WRC
"The car is working well and I am trying to improve. The conditions have changed a lot, but my gravel crew is doing a very good job."			
44	GREENSMITH Gus/EDMONDSON Elliott	GBR/GBR	FORD Fiesta WRC
"It's not how we wanted the morning to go, but thankfully we made the repairs so we can carry on to do Panzerplatte this afternoon - that's good."			
89	MIKKELSEN Andreas/JÆGER Anders	NOR/NOR	HYUNDAI i20 Coupe WRC
"I went slightly off at the beginning - on a left-hander we were in a ditch. I am struggling a bit at the moment. I am trying to get my head around it"			

21	ROVANPERÄ Kalle/HALTTUNEN Jonne	FIN/FIN	ŠKODA Fabia R5 evo
"This time it was better. Just driving normally, but on the road."			

22	ØSTBERG Mads/ERIKSEN Torstein	NOR/NOR	CITROËN C3 R5
"The car is still the same. I am just doing my best to drive perfectly. It's a very long afternoon, so hopefully we can do something clever."			

23	KOPECKÝ Jan/DRESLER Pavel	CZE/CZE	ŠKODA Fabia R5 evo
"We try to go as fast as possible to enjoy the drive, because that's why we are here. Hopefully we can avoid a puncture in Baumholder this year."
