

SERVICE FLASH

Date: 24. August 2013
Day: 3 **Flash F**
Service: F (Messepark)

7	LATVALA, Jari-Matti / ANTTILA, Miikka	FIN/FIN	VOLKSWAGEN Polo WRC	"The first stages went very well. At Panzerplatte, I lost control of the car on a slippery part. We hit a menhir and slightly damaged the side. For the rain, we have to change the set-up a little bit."
11	NEUVILLE, Thierry / GILSOUL, Nicolas	BEL/BEL	FORD Fiesta RS WRC	"It was my strategy not to take any risks during the first run. So far, I am satisfied, because it worked out. Of course, now, the rain is now making things even more interesting."
3	SORDO, Daniel / DEL BARRIO, Carlos	ESP/ESP	CITROËN DS3 WRC	"In the morning, it wasn't difficult, but now, with the rain, the risk in pushing is too big."
2	HIRVONEN, Mikko / LEHTINEN, Jarmo	FIN/FIN	CITROËN DS3 WRC	"The gap to the guys in front is quite big. Like that, not even the rain will help me."
4	ÖSTBERG, Mads / ANDERSSON, Jonas	NOR/SWE	FORD Fiesta RS WRC	"Now, we are working into the right direction, both concerning the set-up and the driving style. Strange as it may sound, but I am doing well in the rain. Now, we will be driving with the set-up for France."
8	OGIER, Sébastien / INGRASSIA, Julien	FRA/FRA	VOLKSWAGEN Polo WRC	"Here, there is nothing more to lose for me. Therefore, I am pushing to prepare for the powerstage. A victory there could still save my weekend."
75	EVANS, Elfyn / BARRITT, Daniel	GBR/GBR	FORD Fiesta R5	"The last stages were very good for me. The handling of the car is really good. I have never driven at Panzerplatte in the rain. It is a real challenge for me."
33	KREMER, Armin / WICHA, Klaus	DEU/DEU	FORD Fiesta RRC	"This morning, the right rear driveshaft of my car broke. As a result, I have no power at all. Now, we first have to see what we can repair and then we decide whether we will continue."
58	RIEDEMANN, Christian / VANNESTE, Lara	DEU/BEL	CITROËN DS3 R3T	"I am happy with this morning. We are now solving the brake problems. In the rain, I don't want to take any big risks, because we are currently fourth in WRC 3 and we still have a realistic chance of finishing third."
