New Fan Service at the ADAC Rallye Deutschland

- **Michelin shuttle buses operating between Service Park Trier and selected Special Stages**
- **Free ride for rally pass holders**
- **Departure from Service Park only – bus tickets available at departure point**

Munich/Trier, 8 August 2014 – The ADAC Rallye Deutschland will be even more visitor-friendly this year. ADAC, FIA and tyre manufacturer Michelin will be offering a new fan service at the 12th edition of the German FIA WRC event.

Up to four shuttle buses, each carrying 55 persons, will transport fans from the Service Park in Trier to selected Special Stages from Friday to Sunday (22-24 August 2014).

The ride on the Michelin shuttle buses will be free and exclusively reserved for rally spectators with a valid rally pass.

Fans who wish to use the Michelin shuttle service can register for the free ride at the designated desk in the Service Park.

Please note that the shuttle buses will have limited seat capacity.

In order to provide this special service to as many fans as possible, the same bus must be taken for the trip back to the Service Park. The bus tickets will be marked accordingly. No seat reservations can be made. Therefore, fans who wish to use the free Michelin shuttle service should be at the Service Park in Trier as early as possible.

This new service is specifically aimed at rally fans who do not travel by car or who want to go straight to the Special Stages from Trier and the hotels there. The shuttle will take them to Special Stages off the regular bus and railway routes. Consequently, no spectator will have to miss the drifts performed by Sébastien Ogier, Thierry Neuville, Mikko Hirvonen, Robert Kubica and the other WRC stars. The Michelin shuttle buses will also contribute to the exemplary commitment to environmental protection at the ADAC Rallye Deutschland, since they will further reduce traffic on the access roads.
