1	OGIER Sébastien/INGRASSIA Julien	FRA/FRA	VOLKSWAGEN Polo R WRC	<p>"I had a good morning and I am very happy. There are always a lot of things that can happen at Panzerplatte and it is difficult to say where you are in terms of times. Moreover, you also try to save tyres on one hand and to push on the other hand. At the finish, I was quite surprised that the time wasn't that bad at all. (concerning team order:) Last year, we have promised our boss something and we were told to remember this."</p>
2	LATVALA Jari-Matti/ANTTILA Miikka	FIN/FIN	VOLKSWAGEN Polo R WRC	<p>"It was all okay for us, but I didn't have the best feeling at Panzerplatte. I had to deal with understeer and nervous brakes. About the team order, it wasn't a team order as such. We were just instructed to make sure we bring the cars home. When I am in a position to attack Sébastien, I can do so."</p>
4	ØSTBERG Mads/ANDERSSON Jonas	NOR/SWE	CITROËN DS 3 WRC	<p>"The car is running quite well. Initially, I tried to find a good rhythm, but I didn't fully succeed. At Panzerplatte, things were going better. Now, we are having a good run. We could get closer to Tänak and we will try to catch him."</p>
7	NEUVILLE Thierry/GILSOUL Nicolas	BEL/BEL	HYUNDAI i20 WRC	<p>"Initially, it went quite well. We were able to move ahead of Dani. Unfortunately, I lost time at Panzerplatte again as I had to deal with understeer. Now, we try to find a solution, so that I can attack Dani again. We have to ensure that the brakes work correctly."</p>
6	TÄNAK Ott/MÖLDER Raigo	EST/EST	FORD Fiesta RS WRC	<p>"We had a good morning without any major problems and we had a smooth run. We want to continue like that and fight for our position."</p>
8	SORDO Dani/MARTÍ Marc	ESP/ESP	HYUNDAI i20 WRC	<p>"The start was quite difficult, but I was able to make up some time at Panzerplatte. Finding your rhythm when you don't have any split times isn't easy, you lose time very easily."</p>
44	CAMILLI Eric/VEILLAS Benjamin	FRA/FRA	FORD Fiesta R5	<p>"It was a good morning for us. We are still in third place. The car is okay, perhaps we just make some minor changes to test."</p>
