

SERVICE FLASH

Datum: 22. August 2015

Day: 12

Service: E (Messepark)

Flash E

1	OGIER Sébastien/INGRASSIA Julien	FRA/FRA	VOLKSWAGEN Polo R WRC
<p>"I had a very good day, but now, I am really tired. I am delighted to be in the lead, but I know that Jari won't give up. I have to keep my rhythm. The lead is comfortable, but the rally isn't over yet. There are still four stages that need to be completed without any mistakes. But, of course, I can take it a little bit more relaxed."</p>			

2	LATVALA Jari-Matti/ANTTILA Miikka	FIN/FIN	VOLKSWAGEN Polo R WRC
<p>"I am very tired, it has been a long day. My driving was okay, but I was probably lacking that final bit of competitive spirit. There is no doubt that I would love to challenge for victory, but I don't want to take too many risks. After all, I haven't finished in this rally in a regular way since 2012. There is no way for me to catch Séb by my own means."</p>			

4	ØSTBERG Mads/ANDERSSON Jonas	NOR/SWE	CITROËN DS 3 WRC
<p>"We continuously improved throughout the day. I managed to move ahead of Tänak in the overall standings and I am three seconds down on Evans. He is very strong in the vineyards, so we have to step up a gear tomorrow."</p>			

7	NEUVILLE Thierry/GILSOUL Nicolas	BEL/BEL	HYUNDAI i20 WRC
<p>"We had a good day, but we didn't take full risk. Dani and I are fighting for the virtual lead. However, scoring championship points is more important for me than beating my team-mates."</p>			

6	TÄNAK Ott/MÖLDER Raigo	EST/EST	FORD Fiesta RS WRC
<p>"During the service, we managed to make slight improvements to the car. Unfortunately, we went off the road on the long Panzerplatte stage and after that, we had problems in getting the engine to run again. At least, I was able to bring the car home at the end of the day. The gap to the guys in front of me and behind me is so big that we can take on tomorrow's stages as some kind of test on tarmac."</p>			

8	SORDO Dani/MARTÍ Marc	ESP/ESP	HYUNDAI i20 WRC
<p>"The day wasn't that bad. We were able to hold onto our fourth place and even extend our lead a little bit. We want to build on that tomorrow and we will see how Thierry does."</p>			

45	KOPECKÝ Jan/DRESLER Pavel	CZE/CZE	ŠKODA Fabia R5
<p>"Today was really good, no problems whatsoever. We were able to go quickly without hitting troubles. Tomorrow, it will all be about keeping the car on the road and securing first place in class home."</p>
