

SERVICE FLASH

Date: 31. August 2015
Day: 3 **Flash G**
Service: G (Messepark)

3	MEEKE Kris/NAGLE Paul	GBR/IRL	CITROËN DS 3 WRC	"Today, I didn't feel too confident and couldn't find a rhythm. It already started with a spin in the first hairpin on the first stage. In the second loop, everyone wants to try and keep his position. Should I find my rhythm, I will see whether I will attack or not. If not, I won't be taking any risks."
12	LEFEBVRE Stéphane/PRÉVOT Stéphane	FRA/BEL	CITROËN DS 3 WRC	"I am happy with this morning. I only made one mistake. On SS 2, I braked too late for a hairpin and lost approximately five seconds. Bearing that in mind, the time was still quite good."
6	TÄNAK Ott/MÖLDER Raigo	EST/EST	FORD Fiesta RS WRC	"The morning was quite smooth. For me, it is about safely bringing my position home. In the second loop, we will be testing a few things and see how the car handles. In any case, I will drive safely."
4	ØSTBERG Mads/ANDERSSON Jonas	NOR/SWE	CITROËN DS 3 WRC	"Initially, it went really well and I was able to make up time on Evans. Later on, I was having problems with the brakes on the rear wheels and I lost time. In the afternoon, I want to keep battling with Evans."
7	NEUVILLE Thierry/GILSOUL Nicolas	BEL/BEL	HYUNDAI i20 WRC	"The morning was quite okay, but I think it is clear for everyone that we have to bring fourth and fifth place home. Therefore, I didn't try to attack. Perhaps, Dani will still try to catch Mikkelsen."
8	SORDO Dani/MARTÍ Marc	ESP/ESP	HYUNDAI i20 WRC	"The team has told us to bring these positions home. Nevertheless, I was faster on the first stage. It is still quite close with Mikkelsen and perhaps, there is still a surprise."
9	MIKKELSEN Andreas/FLØENE Ola	NOR/NOR	VOLKSWAGEN Polo R WRC	"The morning was quite okay. On the second stage, I drove very cautiously because of my spin there last year. Probably, I was going a bit too slow after all. On the power stage, I will try to attack, but the main thing for us is to bring first to third place home."
2	LATVALA Jari-Matti/ANTTILA Miikka	FIN/FIN	VOLKSWAGEN Polo R WRC	"The main thing for us is to bring the positions home. There is no way for me to catch Séb by my own means. During the service, the guys will only do a quick check of the car. In the second loop, it is just about staying in control. I will push once more on the power stage. I already did some practice for that this morning!"

1	OGIER Sébastien/INGRASSIA Julien	FRA/FRA	VOLKSWAGEN Polo WRC
"I took it cautiously on the first loop. Only my huge margin allows me to do so. I don't necessarily need the points from the power stage. Victory will do for me, but when I am feeling well, I will push. If not, I will avoid taking any risks."
