

SERVICE FLASH

Datum: 25th August 2012
Day: 2 **Flash E**
Service: E (Messepark)

1	LOEB, Sébastien / ELENA, Daniel	FRA/MCO	CITROËN DS3 WRC
"We've had a good day and went through without any mistakes. Tomorrow it won't be important to push. We have to finish without making mistakes."			

3	LATVALA, Jari-Matti / ANTTILA, Miikka	FIN/FIN	FORD Fiesta RS WRC
"Today again there were ups and downs for us. We are currently in second position behind Sebastien Loeb and that's pretty good."			

10	ÖSTBERG, Mads / ANDERSSON, Jonas	NOR/SWE	FORD Fiesta RS WRC
"We've had a pretty good day. Since we have solved the brake problems I could go fast in the right places today - without having to take many risks. Fourth position is better than we expected, maybe I can still catch up a bit."			

12	ATKINSON, Chris / PRÉVOT, Stéphane	AUS/BEL	MINI John Cooper WRC
"Today I tried to avoid direct battles for positions altogether. Looking back now, this turned out to be the right strategy. Tomorrow we will do everything to make it to the finish."			

2	HIRVONEN, Mikko / LEHTINEN, Jarmo	FIN/FIN	CITROËN DS3 WRC
"I am still not familiar with the car. It was a difficult morning today with the rain, but at least I managed to avoid mistakes. Jari-Matti is very fast, that's why I have to try to be even faster, if I want to catch him."
