Munich. Who will win the German event in the FIA World Rally Championship? This is probably one of the few questions the official ADAC Rallye Deutschland magazine does not answer. Otherwise, the newly published magazine has an answer to almost any question you may have. A must-read for rally fans, it includes the full itinerary and all details and maps of the Special Stages as well as all information on the German WRC event which will be hosted in the Saarland and neighbouring regions between 22 and 25 August.

The over 80 pages are an exciting read – from a portrait of Ott Tänak, who won the German WRC event twice, to a background story on the legendary Baumholder military range to a brief introduction to the 2022 WRC hybrid technology to the culinary delights of the rally region. An extensive service section features the Special Stages of the rally in a trilingual layout (German, English and French). A detailed schedule tells you what is happening when and where, and accurate maps show you where to catch the best action. The loose-insert folded spectator map comes in handy and provides important safety information.

The magazine is now available for €5 (plus shipping) at the official online ticket shop www.adac.de/rallye-deutschland. You can also order by e-mail to ticket@rallye-deutschland.de. Don't forget: if you purchase the pre-sale rally pass package which includes the four-day pass, you will get a free copy of the official event magazine. During the ADAC Rallye Deutschland, the magazine will be on sale at the on-site ticket offices, info points and directly at the Special Stages.
