

STAGE FLASH

Date: 24 August 2019

Day: 3

Stage: SS10 Freisen 2

Weather: 21 degrees, sunny

Track: Dry

Flash N°: 10

Distance: 14.78 km

1	OGIER Sébastien/INGRASSIA Julien	FRA/FRA	CITROËN C3 WRC	"I think the biggest difference will happen in Baumholder, so let's see."
3	SUNINEN Teemu/LEHTINEN Jarmo	FIN/FIN	FORD Fiesta WRC	"There is a little bit more gravel and there is no clear line. It's okay, we are first car and that is how it is."
4	LAPPI Esapekka/FERM Janne	FIN/FIN	CITROËN C3 WRC	"We got stuck in the ditch. I locked the front tyres under braking and went wide."
5	MEEKE Kris/MARSHALL Sebastian	GBR/GBR	TOYOTA Yaris WRC	"When you're running at the front all of the time, you're hungry. I'm not the youngest, but I'm still hungry"
8	TÄNAK Ott/JÄRVEOJA Martin	EST/EST	TOYOTA Yaris WRC	"For sure, I am pushing as much as I can."
10	LATVALA Jari-Matti/ANTTILA Miikka	FIN/FIN	TOYOTA Yaris WRC	"Slightly better, but it looks like Dani Sordo is setting some amazing times. With a performance like that I have no chance"
11	NEUVILLE Thierry/GILSOUL Nicolas	BEL/BEL	HYUNDAI i20 Coupe WRC	"I had a very good stage. Conditions are very dirty, but I am satisfied with the stage I have done."
44	GREENSMITH Gus/EDMONDSON Elliott	GBR/GBR	FORD Fiesta WRC	"I had to change a few parts and tweak some things after the first run, but the car is working fine now. It was disappointing, but we are still here."
89	MIKKELSEN Andreas/JÆGER Anders	NOR/NOR	HYUNDAI i20 Coupe WRC	"We are trying everything we can. It was hard to do a lot more at the moment. Obviously the driving can be better, but we are working on it."
21	ROVANPERÄ Kalle/HALTTUNEN Jonne	FIN/FIN	ŠKODA Fabia R5 evo	"The morning was bad. When you try to be fast, sometimes these things happen, but it should not happen twice."

22	ØSTBERG Mads/ERIKSEN Torstein	NOR/NOR	CITROËN C3 R5
"That was better. I enjoyed it more and more and this brake pad formation that we are running at the moment seems to be working."			
23	KOPECKÝ Jan/DRESLER Pavel	CZE/CZE	ŠKODA Fabia R5 evo
"We have to be really focussed, because the stages are very tricky - there is a lot of loose gravel everywhere."			
24	CAMILLI Eric/VEILLAS Benjamin	FRA/FRA	FORD Fiesta R5 MkII
"I pushed a bit more, because I understand the car more. It's going in the right direction"
