## Eight days of action: Even bigger support programme for the 2022 LIQUI MOLY Motorcycle Grand Prix of Germany

- Hot nights in the karting hall, party programme at the Ankerberg Festival
- Red Bull racing circus and vintage motorcycle exhibition entice with attractions
- Open-air cinema on the start/finish straight kicks off support programme

Munich. It is less than four weeks until the two-wheel artists of MotoGP, led by Marc Marquez and Fabio Quartararo, return to the Sachsenring (17th to 19th June) for the LIQUI MOLY Motorcycle Grand Prix of Germany. However, hot action is not restricted to the 3.6-kilometre track. The support programme is also even more extensive than in previous years: Spectators at the iconic circuit between Chemnitz and Zwickau will be royally entertained for a full eight days.

It all kicks off on the weekend before the MotoGP race: From 10th to 12th June, motorsport-related films will be shown at an open-air cinema on the start/finish straight. On Saturday 11th June, motorcycle fans can also warm up for MotoGP at the official pre-race party at Brauclub Chemnitz, which is supported by Red Bull. Access to the party is free for all ticket holders.

The Charity Run at the Sachsenring takes place on Wednesday evening (15th June). 300 runners may run a lap of the Sachsenring for an entry fee of € 25. Proceeds go to the Freier Hospizverein Erzgebirgsvorland e.V. The popular pit walk takes place on Thursday afternoon. Fans have two hours to take a close look at the MotoGP elite as they go about their work. A limited number of tickets are still available at [adac.de/motogp](https://adac.de/motogp).

The karting hall will be transformed into a party hotspot on the Friday and Saturday: DJ Fladsound and Stinger will get spectators in the mood at the rock night on Friday evening, before the traditional driver presentation forms Saturday's highlight from 19:00. This will be followed by "Diese Typen" and a DJ at the Party Night. The spectacular Red Bull racing circus and vintage motorcycle exhibition, powered by MOTUL, next to the yellow ADAC tower round off the diverse and entertaining support programme.

The legendary Ankerberg Festival also returns with an extensive programme. The Open Air Stage will host various bands from Thursday to Saturday evening, while a different DJ each night will lay down their tracks on the Red Bull Festival Stage.

Tickets for the LIQUI MOLY Motorcycle Grand Prix of Germany are still available in the online ticket shop at [adac.de/motogp](https://adac.de/motogp), by phone on 03723/8099111, or by E-mail ([info@sachsenring-event.de](mailto:info@sachsenring-event.de)). Tickets already purchased for the 2020 and 2021 Motorcycle Grand Prix are still valid for the 2022 race weekend.
