Start of accreditation for the Liqui Moly Motorrad Grand Prix Deutschland 2023

- Registration for media representatives via the online accreditation portal

Munich. The Liqui Moly Motorrad Grand Prix Deutschland 2023 will be held at the Sachsenring from 16 to 18 June. Media representatives can get accreditation for the German round of the MotoGP online from now until 22.05.2023. Media representatives will be accredited in line with the guidelines of MotoGP rights holder Dorna. Accreditation gives media representatives access to the media centre and other areas reserved for the media.

Accreditation of national print and online journalists, photographers, and radio stations, as well as of national representatives of international news and image agencies is granted online only, at adac.de/motorsport-akkreditierung. International media are accredited by Dorna directly.

Accreditation requests from the areas of print, websites, and photography must be submitted by 22 May. National radio stations must submit their accreditation requests by 12 May.

Detailed guidelines for accreditation for the Liqui Moly Motorrad Grand Prix Deutschland are available online at adac.de/motorsport-akkreditierung (in the Accreditation Guidelines section).

Note on the online accreditation portal: Due to security requirements, the password to gain access expires after three months; a new password can be requested via the "Forgot password" function on the website.
