## Exciting changes to the off-track programme for the LIQUI MOLY Motorcycle Grand Prix of Germany 2023

- **Sprint race presentation ceremony in front of grandstand T1**
- **Get up close to MotoGP heroes on the Hero Walk**

Munich. The 25<sup>th</sup> edition of the LIQUI MOLY Motorcycle Grand Prix of Germany at the Sachsenring once again promises five days of pure action. From Wednesday afternoon to Sunday evening, the enthusiastic MotoGP fans will be royally entertained both on and off the track. In order to make the show even more spectacular for spectators at the circuit, the off-track programme has been made even more attractive. The new sprint races at 15:00 on the Saturday will not only provide thrilling action on the track, but also the opportunity to get even closer to the MotoGP heroes. For this reason, the presentation ceremony after the sprint race will take place in a specially erected area on the start/finish straight. At the LIQUI MOLY Motorcycle Grand Prix of Germany 2023, this area is located directly in front of the T1 grandstand on the start/finish straight.

The Riders Parade is also new: immediately after the ten-minute warm-up on the Sunday morning, the MotoGP riders will climb onto a trailer, on which they will be chauffeured around the track. Whilst on the parade, they will also answer questions from a MotoGP reporter.

Another opportunity to get up close to the MotoGP heroes comes courtesy of the brand-new Hero Walk near the ADAC tower. It opens its doors on the Saturday and Sunday before the first sessions, and after the Riders Parade on the Sunday. Various riders from all the classes will attend the Hero Walk and be available for selfies and autographs.

Only a few tickets are still available for the German MotoGP race in 2023. Information can be found online at [adac.de/motogp](https://adac.de/motogp).
