Accreditation open for the 2024 Liqui Moly Motorcycle Grand Prix of Germany

- Media representatives can register via the online accreditation portal

Munich. The 2024 Liqui Moly Motorcycle Grand Prix of Germany will take place from 5th to 7th July at the Sachsenring. Media representatives can now apply for accreditation for the German round of MotoGP. The accreditation of media representatives is in line with the specifications of MotoGP rights holder Dorna. Accreditation grants media representatives access to the Media Center and other areas reserved for the media. The accreditation of national print and online journalists, photographers and radio stations, as well as national representatives of international agencies, takes place exclusively online at adac.de/motorsport-akkreditierung. International media must contact Dorna for accreditation.

Accreditation applications for print media, websites and photographers must be submitted by 12th June. National radio stations have until 3rd June to submit their applications for accreditation.

Detailed guidelines for accreditation for the Liqui Moly Motorcycle Grand Prix of Germany are available online at adac.de/motorsport-akkreditierung (under the header Accreditation Guidelines).

Information on the online accreditation portal: For reasons of security, the password for access to the accreditation portal expires after three months. A new password can be requested via the “Forgotten password” function on the website.
