We have clearly and precisely put together all the key information for fans ahead of the only German round of the MotoGP World Championship:

Directions and parking

MotoGP fans travelling to the Sachsenring from the south, east or north can reach the free car park P12 via the A72 motorway. There is a direct route to the car park via the Stollberg-Nord exit and the B180. Spectators coming from the west can use the Wüstenbrand exit on the A4 motorway. Located close to the racetrack are special car park P11 and car park P10, which is suitable for camping. It is forbidden to stay overnight in car parks P11 and P12. Route information is available online at adac.de/motogp. The shuttle timetable can be found here: adac-motorsport.de/en/motogp-sachsenring/schedule/.
