## Start of accreditation for the 2022 Liqui Moly Motorcycle Grand Prix of Germany

- Media representatives can register via the online accreditation portal

Munich. The 2022 Liqui Moly Motorcycle Grand Prix of Germany takes place from 17th to 19th June at the Sachsenring. Media representatives can now attain accreditation for the German round of the MotoGP championship online. Media accreditation is in line with the regulations specified by MotoGP rights holder Dorna. The accreditation allows media representatives access to the Media Center and other areas reserved for the press. The accreditation of national print and online journalists, photographers and radio stations, as well as national representatives of international agencies, takes place exclusively online at [adac.de/motorsport-akkreditierung](https://adac.de/motorsport-akkreditierung). The accreditation of all international media is via Dorna.

Requests for accreditation from the areas of print media, websites and photographers must be submitted by 26th May. National radio stations must submit their requests for accreditation by 20th May.

Detailed accreditation guidelines for the Liqui Moly Motorcycle Grand Prix of Germany are available online at [adac.de/motorsport-akkreditierung](https://adac.de/motorsport-akkreditierung) (under Accreditation Guidelines).

**Information on online accreditation portal:** For security reasons, the password for access to the portal expires after three months. A new password can be requested using the “Forgotten password” function on the website.
