## ADAC GT Masters Media Day, Oschersleben

Ladies and Gentlemen,  
Colleagues,

The 2016 ADAC Motorsport season is about to get under way: The ADAC GT Masters will line up for its tenth season with a field of more than 30 new supercars. The ADAC Formula 4 has become well established in its first year as one of the strongest series for juniors with more than 40 entries and will be starting its second season. The ADAC has set up a new platform for professional touring car racing with the ADAC TCR Germany, which will commence its premiere season within the context of the ADAC GT Masters.

Please note the date of the official Media Day at Oschersleben now in your diary – April 4th. With less than a fortnight to go before the season kicks off for the ADAC GT Masters, the ADAC Formula 4 and ADAC TCR Germany on the weekend of April 15th-17th in the Motorsport Arena Oschersleben, we will have interesting speakers on hand for you, as we introduce all three series at a press conference to be held as part of the Media Day during official pre-season testing in Oschersleben.
