Invitation to ADAC GT Masters Media Day in Oschersleben

- Presentation of year ahead for ADAC GT Masters, ADAC GT4 Germany, ADAC TCR Germany and ADAC Formula 4
- ADAC Press Conference – 8th April, Oschersleben
- The Motorsport Arena Oschersleben will also present its programme for the year

Dear Sir/Madame,
Dear Colleagues,

The ADAC GT Masters is extremely well placed for the 2019 season with drivers of more than 30 supercars made by eight different manufacturers ready to fight for the title. The new ADAC GT4 Germany will also be a fine addition to a support programme that already includes the ADAC TCR Germany, the ADAC Formula 4 and the Porsche Carrera Cup Deutschland. During pre-season testing from April 8th to 10th at the Motorsport Arena Oschersleben, teams and drivers from the ADAC's four race series will prepare for the season opener scheduled to take place at the venue on the weekend of 26th - 28th April.

In conjunction with the Motorsport Arena Oschersleben, we would like to invite you to attend the Media Day on Monday, 8th April when you will be able to get all first-hand information in the pit lane and paddock. Drivers and Team Principals as well as representatives from the ADAC will speak about the upcoming season during a Press Conference to be held at 12:00 noon in the Jockel-Klein-Halle in the hotel at the Motorsport Arena. Germany's most northerly racetrack, the Motorsport Arena Oschersleben, will also disseminate information about its activities and programme for the year ahead.
