Start of accreditation for the 2026 ADAC GT Masters

- **Individual and permanent accreditation for the 2026 season possible now**
- **Pre-season test on 15th April at the Red Bull Ring (A)**

Munich. Accreditation for the 2026 ADAC GT Masters is now open. The 20th season kicks off for the first time against the impressive mountain backdrop of the Red Bull Ring in Spielberg, Austria, from 24th to 26th April 2026. Media representatives can now apply for accreditation for the full season and individual events.

For permanent accreditation with the ADAC GT Masters, select a DTM season accreditation. The DTM season accreditation includes accreditation for the two ADAC GT Masters events held outside the DTM at the ADAC Truck Grand Prix (10th to 12th July) and the ADAC Racing Weekend (4th to 6th September). This is only possible online at akkreditierung.adac-motorsport.de. Detailed accreditation guidelines can also be found in the ADAC Motorsport accreditation portal.

The necessary documents for a season accreditation must be submitted by 1st April 2026. The deadlines for individual accreditations can be found in the overview below. A separate accreditation is required for those wishing to attend the pre-season test. This must be submitted by no later than 6th April 2026.

Media accreditations for the ADAC GT Masters do not entitle holders to record moving images. TV and film teams require a filming permit for this purpose. Please direct any queries regarding national and international TV filming permits, and planned broadcasts on online portals, to:
