- ADAC GT Masters season kicks off with home race for PIXUM Team Schubert

PIXUM Team Schubert are to contest the ADAC GT Masters with BMW once again. For a second season in a row, the Oschersleben crew will field two BMW Z4s in the hunt for titles in the Super Sports Car League. The BMW team were in the title race right up until the finale with three wins last season. PIXUM Team Schubert intend to present the four drivers of the two 500bhp+ BMW Z4s to the world at the ADAC GT Masters Media Day in the etropolis Motorsport Arena Oschersleben on April 8th.

“We don’t yet know who all our opponents will be this season, but I expect that things will be at least as exciting as last year,” commented Stefan Wendl, team manager at PIXUM Team Schubert in the run-up to the season. “Our 2013 ADAC GT Masters season was very good, and we will be aiming to repeat our showing this year. We were in title contention up until the penultimate race last year, so our aim this season is to be in the title fight in the very last race.”

The ADAC GT Masters 2014 season kicks off on the weekend of April 25th-27th in the etropolis Motorsport Arena Oschersleben. All 16 races of the ADAC GT Masters will again be broadcast live and in full throughout Germany, Austria and Switzerland on *kabel eins* during 2014.

Tickets for all ADAC GT Masters races are available in advance, starting at just 20 euros, online at www.adac.de/motorsport, from all ADAC outlets, at www.eventim.de and from more than 20,000 Eventim ticket offices throughout Europe.
