Start of accreditation for the 2021 ADAC GT Masters

- **Save the date: Media Day on 20th April at Motorsport Arena Oschersleben**

The ADAC GT Masters kicks off its 15th season from 14th to 16th May 2021 at Motorsport Arena Oschersleben and will be appearing as the German GT Championship for the first time. Four weeks prior to this, the field will meet at the official pre-season test in Oschersleben on 20th and 21st April. During the test, a Media Day and press conference regarding the 2021 season will be held on 20th April.

Media representatives can now apply for permanent and individual accreditations for this season's ADAC GT Masters season, which gets underway in May, as well as for ADAC GT4 Germany, ADAC TCR Germany, and ADAC Formula 4. This is only possible online at akkreditierung.adac-motorsport.de. Furthermore, detailed accreditation guidelines can also be found on the ADAC Motorsport Accreditation Portal. The forms required for accreditation for a season accreditation must be submitted by no later than 20th April 2021. The deadlines for individual accreditations are listed in the overview below.

A separate accreditation is required for the Media Day for the start of the seasons in ADAC GT Masters, ADAC GT4 Germany, ADAC TCR Germany, and ADAC Formula 4 on 20th April. This can also be requested via the online portal. More information on the Media Day will follow shortly.

Depending on official regulations, local circumstances and our hygiene and infection control measures, it may be that the number of media representatives and the work carried out on site are subject to restrictions. We will provide information on any regulations and circumstances regarding individual events in good time.

Media accreditations for the ADAC GT Masters do not authorise the bearer to film moving images. To do so, TV and film teams need a TV filming permit. If you have any queries regarding national and international TV filming permits, and planned transmissions on online portals, please contact:
