Start of accreditation for the 2023 DTM

- Individual and permanent accreditation for the 2023 season possible now
- Test and Media Days on 15th/16th April at the Red Bull Ring

Munich. The new DTM season gets underway from 26th to 28th May 2023 at Motorsport Arena Oschersleben. Just six weeks before the start of the opening race, the field will assemble at the Red Bull Ring on 15th and 16th April for the official Test and Media Days – the first chance to flex their muscles. Media representatives can now obtain accreditation for the 2023 DTM.

Accreditation for the 2023 DTM season or individual DTM events is possible exclusively online at akkreditierung.adac-motorsport.de. The accreditation portal is available in German and English. Detailed accreditation guidelines can also be found in the ADAC Motorsport accreditation portal. The necessary documents for a season accreditation must be submitted by no later than 11th May 2023. The deadlines for individual accreditations are listed in the overview below. The season accreditation includes accreditation for the Test and Media Days at the Red Bull Ring, as well as the two ADAC GT Masters events that take place outside the DTM. At the Test and Media Days, various activities are planned for media representatives on both days. Specific information on the itinerary will follow in the next few days.

Media accreditation for the DTM do not entitle holders to record moving images. TV and film teams also require a filming permit for this purpose. Please direct any queries regarding national and international TV filming permits, and planned broadcasts on online portals, to:
