- Save the date: Media Day with press conference on 26th March in Oschersleben before season kicks off
- Start of accreditation process for the ADAC Formula 4, ADAC GT Masters, and ADAC TCR Germany

Munich: Media representatives can now apply for permanent accreditation and for accreditation on a race-by-race basis for the 2018 Formula 4 and the ADAC GT Masters and ADAC TCR Germany seasons. This can only be done online at www.adac-motorsport.de/akkreditierung. Media representatives from the areas of print, online and radio as well as photographers can submit requests for accreditation via our online accreditation system where detailed guidelines regarding accreditation can also be found. Documents required to become accredited for the season must be submitted by 29th March at the latest.

Accreditation is required separately for the ADAC GT Masters, ADAC Formula 4 and ADAC TCR Germany Media Day. The Media Day and press conference for the 2018 season will take place on 26th March during official ADAC GT Masters pre-season testing at the Motorsport Arena Oschersleben. Further information about the Media Day to follow soon.

Accreditation for all seven race weekends on a meeting-by-meeting basis can also now be requested. Deadlines as listed below. Requests for accreditation to the meetings to be held jointly with the DTM in May at the Hockenheimring, 4th - 6th May, and at the Lausitzring, 18th - 20th May, are to be made directly to the DTM at media.dtm.com.

Press accreditation does not entitle the bearer to make recordings of moving pictures. TV and film crews need a TV filming permit for that. Please make enquiries about national and international TV filming permits and broadcasts intended to go out on online portals to:
