**Contact between people from different households/teams should be kept to a minimum!** Any unnecessary movement outside the own team area is to be avoided.

**Teams and riders are responsible for regular cleaning of the surfaces and good air circulation** in the tents/trucks/caravans etc. Sufficient disinfection materials must be kept in stock!

**Regular hand washing and/or disinfection is mandatory!**

Violations will be sanctioned by the organizer.

No general mask obligation in paddock!

If **minimum distance of 1.5 m** cannot be kept, a mask must be worn correctly (e.g. working on motorcycle)!

# DOCUMENT CHECK / TECHNICAL SCRUTINEERING

## Document Check

The document check is located at the end of the paddock in direction of the racetrack. Please remember to have a **valid and signed license** for the 2020 season. Foreign riders also need the **foreign starting permission** of the respective federation.

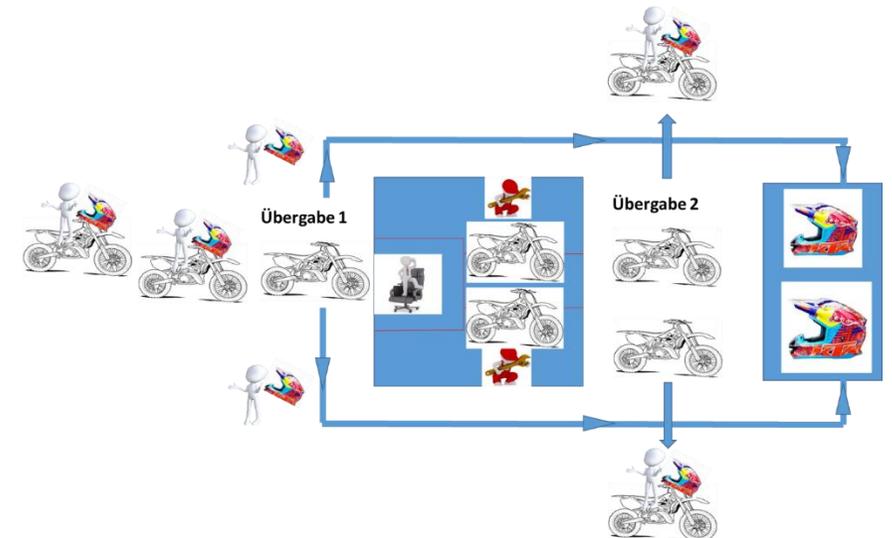

**We kindly ask you to complete the inspections already on Friday.**

Masks are mandatory in these areas.  
Please make sure that the mask is worn correctly and that the minimum distance of 1,5 m is kept.

## Technical Scrutineering

The technical inspection is located between paddock 2 (Masters paddock) and paddock 3.

Please show the **ESC number of the helmet** visibly and then lay the helmet on the table. In American models the number is located in the helmet shell.

# DIGITAL NOTICE BOARD

**Due to Corona, the riders' briefing as well as the official notice board will be omitted in 2020.**  
Both will be available in digital form.

# TRACK PLAN

## Compulsory Mask

- Document Check / Race office
- Technical Scrutineering
- Prestart
- Mechanical box
- Cleaning-site
- Marquee
- Award Ceremony / Winning Interview

Wherever the minimum distance of 1.5m cannot be maintained, a mask must be worn correctly!

Everyone is responsible for carrying a mask. The organizer does not provide masks!

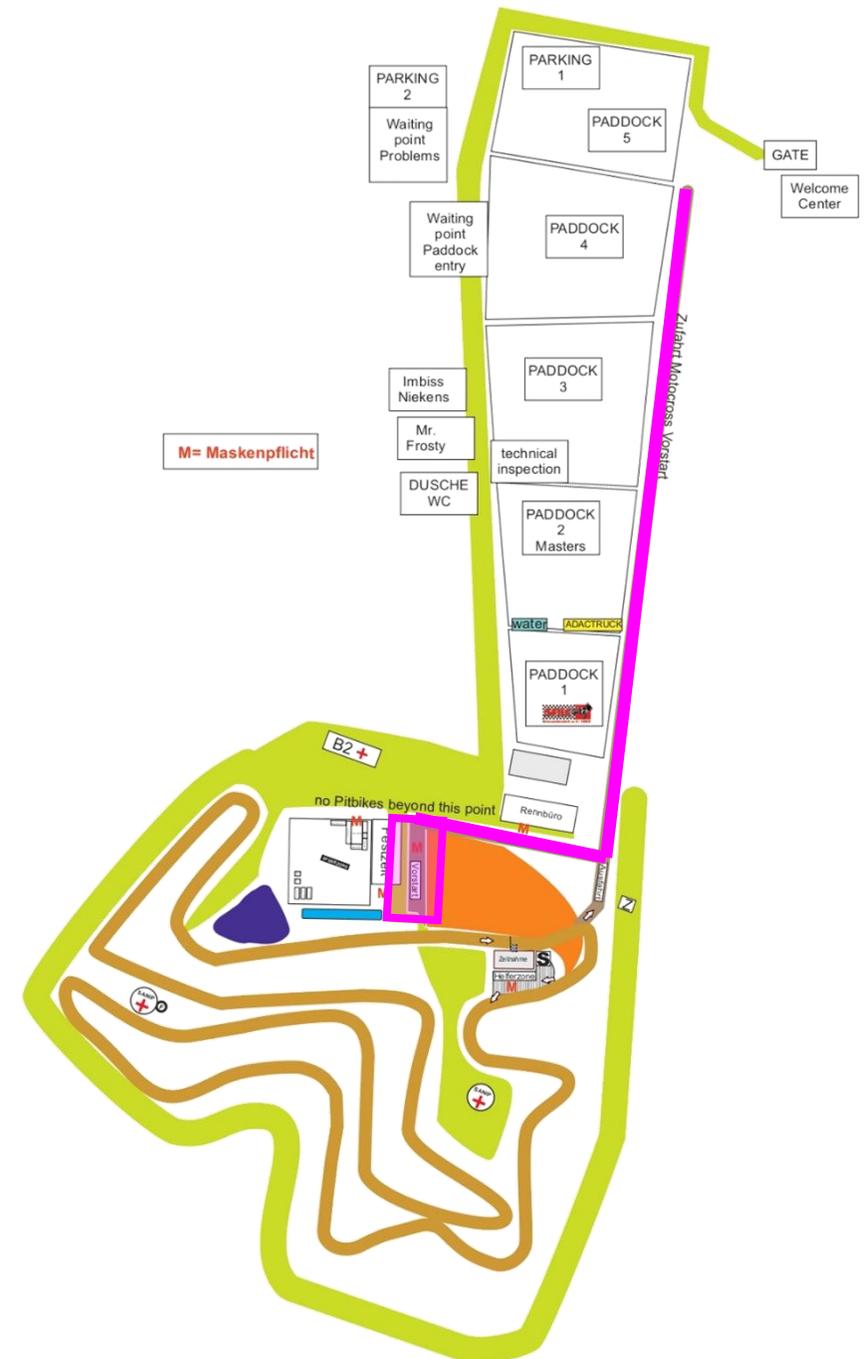

# PRESTART

All riders access the pre-start via the appropriate access road (pink).  
**No motocross bikes** are tolerated on the main route.

**Absolute mask obligation in prestart!**

Only riders and mechanics of the respective class have access to the prestart.

# MECHANIC BOX

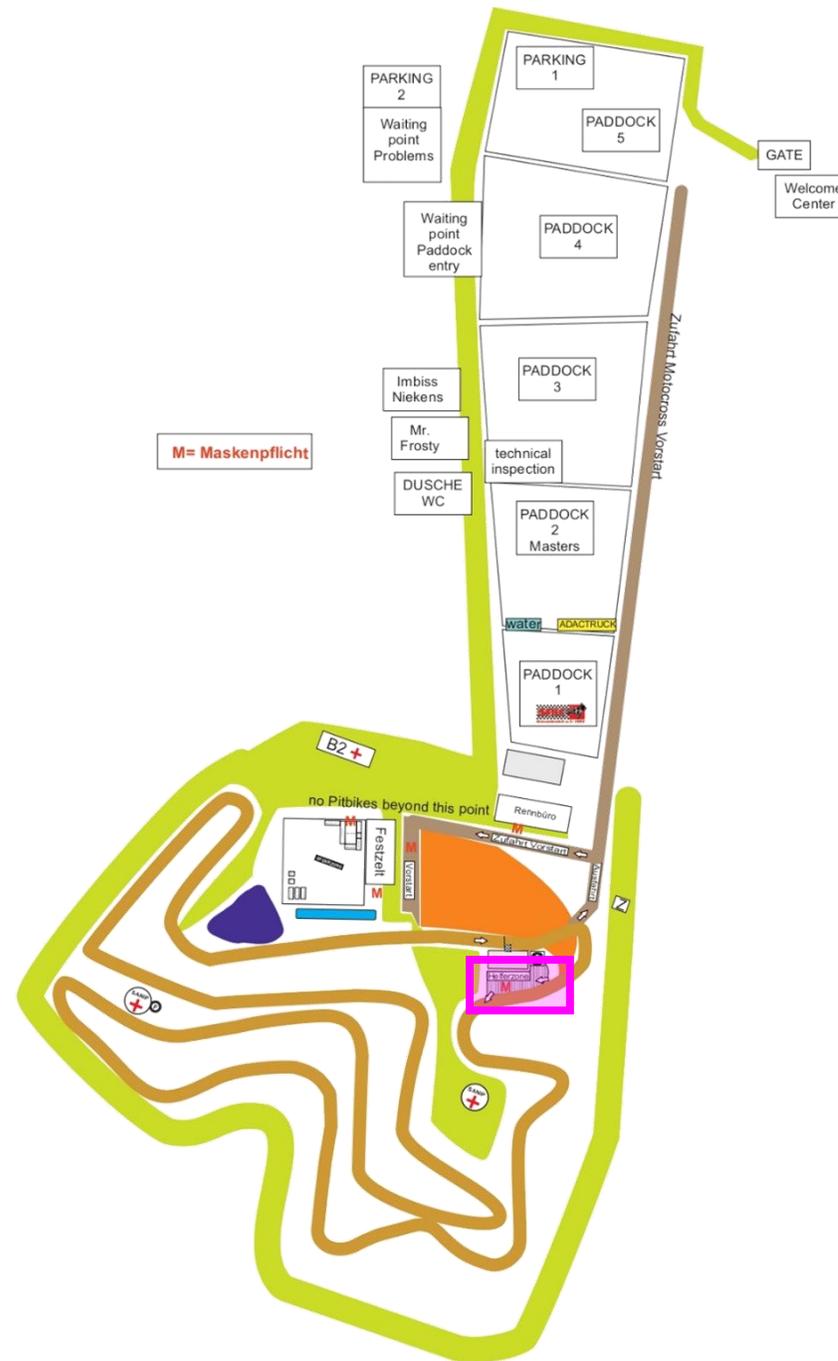

## Absolute mask obligation in mechanic box!

Access to the mechanic box is permitted with a **mechanic wristband of the respective class**. Every mechanic must name his rider when entering the helper box.

Guest bands have no access. Bicycles and animals are not allowed in the mechanic box. Smoking is absolutely forbidden.

**Pay attention to the marking at the bottom of the mechanic box and keep the lane clear!**

We ask all riders to renounce all jewelry (earrings, necklaces, etc.). Paramedics have pointed out that jewelry has led to injuries and e.g. earrings hinder removing helmets.

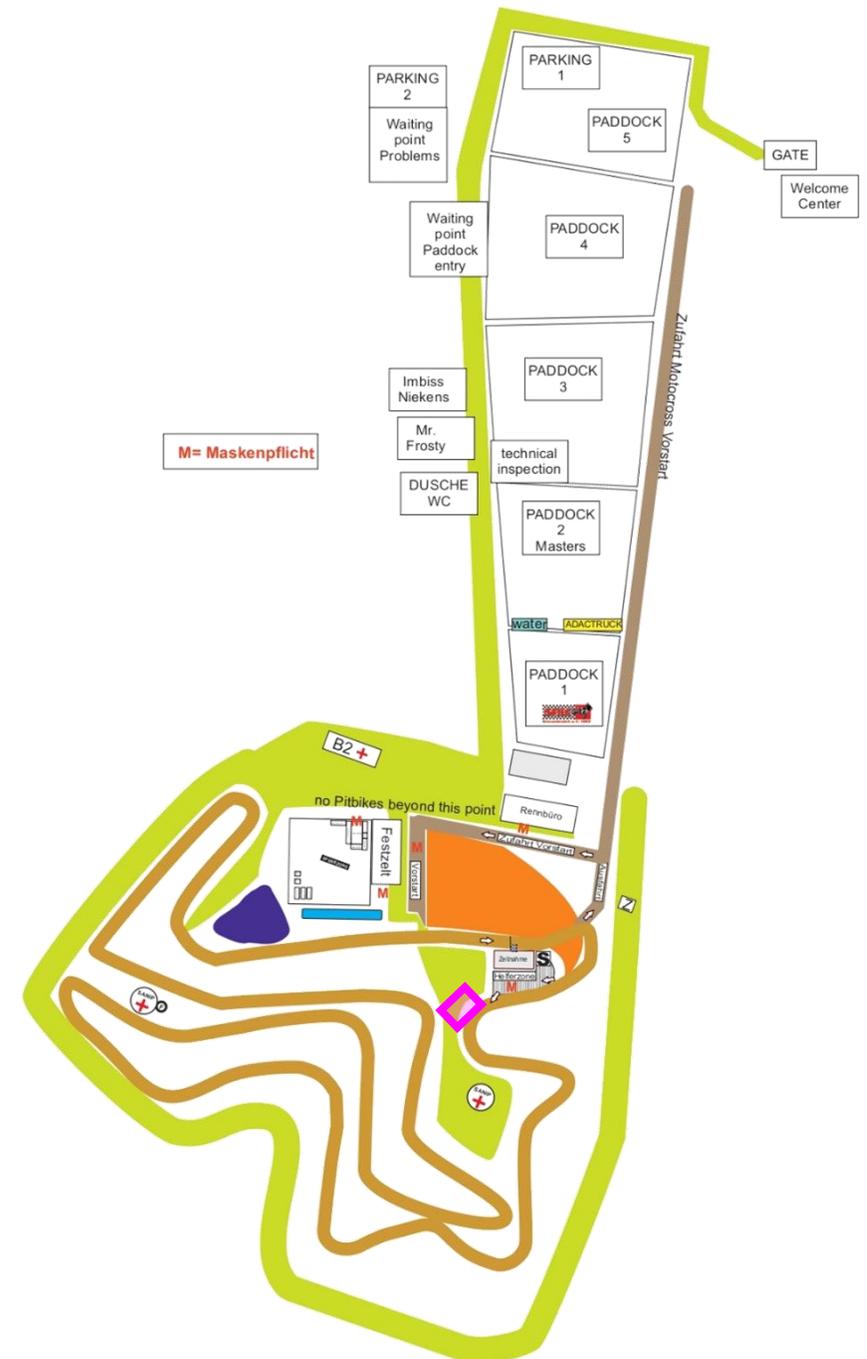

# SPECTATOR AREA

For all team members and accompanying persons who do not have access to the mechanic box, a monitor is available in the spectator area in the infield of the track to follow the times.

The times can also be followed via Live timing (see Timekeeping).

No general mask obligation in spectator area!

If minimum distance of 1.5 m cannot be kept, a mask must be worn correctly!

# LIVESTREAM / PRESS / TV

The livestream can be seen on the YouTube channel of the ADAC: <https://www.youtube.com/user/ADAC>

**We kindly ask you to comply with the hygiene regulations to the best of your knowledge and belief! In that way we ensure a proper self-protection and guarantee the protection of others. Furthermore we give responsible images to the outside world.**

All press representatives as well as the TV crew will pay attention to the compliance with the corona regulations of the organizer. Riders and attendees who violate the regulations are deliberately not shown on media level!

**Please also pay attention to the adherence to the hygiene regulations for private postings.**

We kindly ask riders, team members and accompanying persons to wear a mask when the riders return from the races.

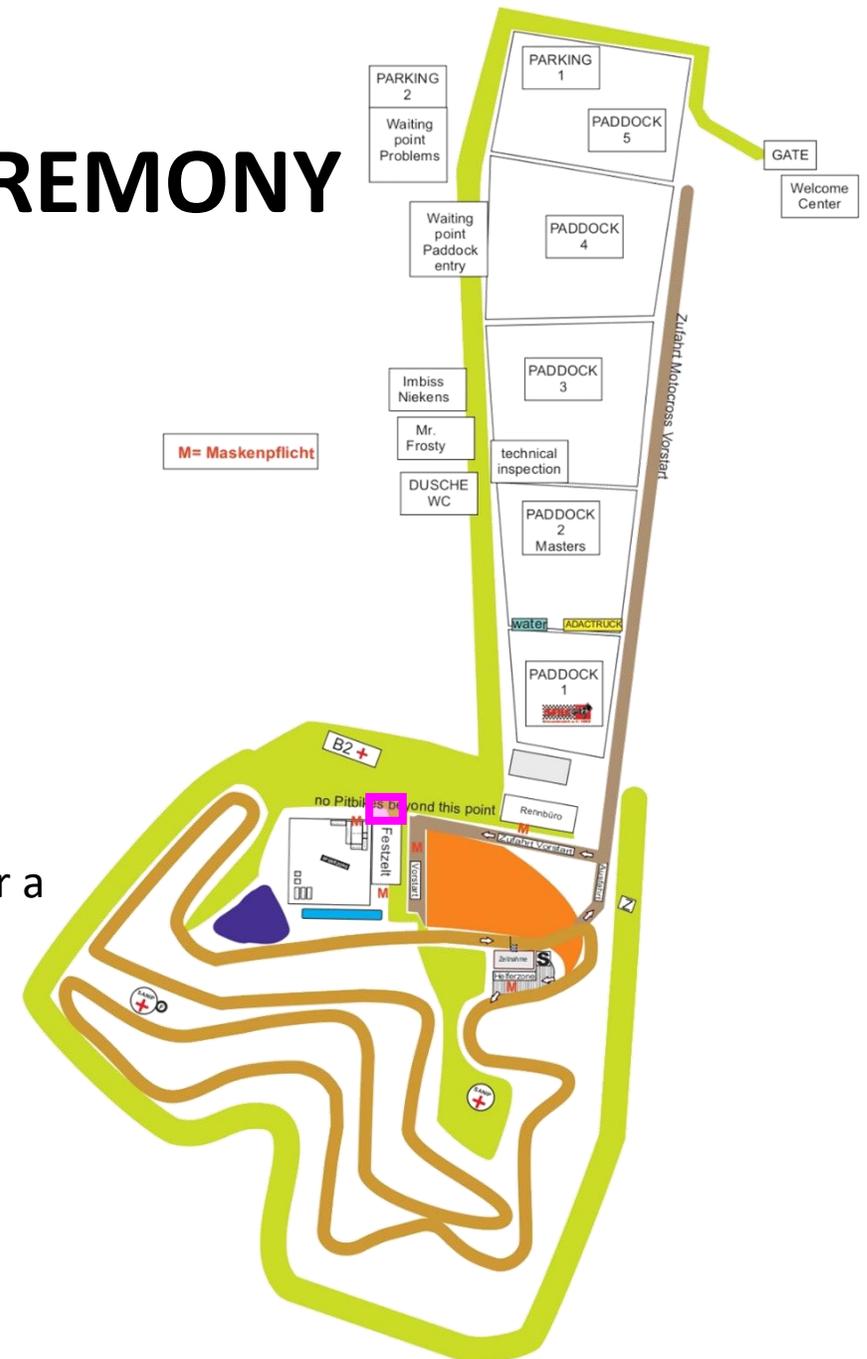

# WINNING INTERVIEW / AWARD CEREMONY

After each run, the winner will be asked for a short interview on the podium for the livestream. **For publicity purposes we ask the riders to wear a mask in this situation.**

The overall award ceremony takes place after the last run of the respective class. **Absolute mask obligation during award ceremony!**

The ADAC provides masks for the interview and the award ceremony.

We kindly ask riders, team members and accompanying persons to wear a mask when the riders return from the races. Riders should be handed their mask after helmet removal.

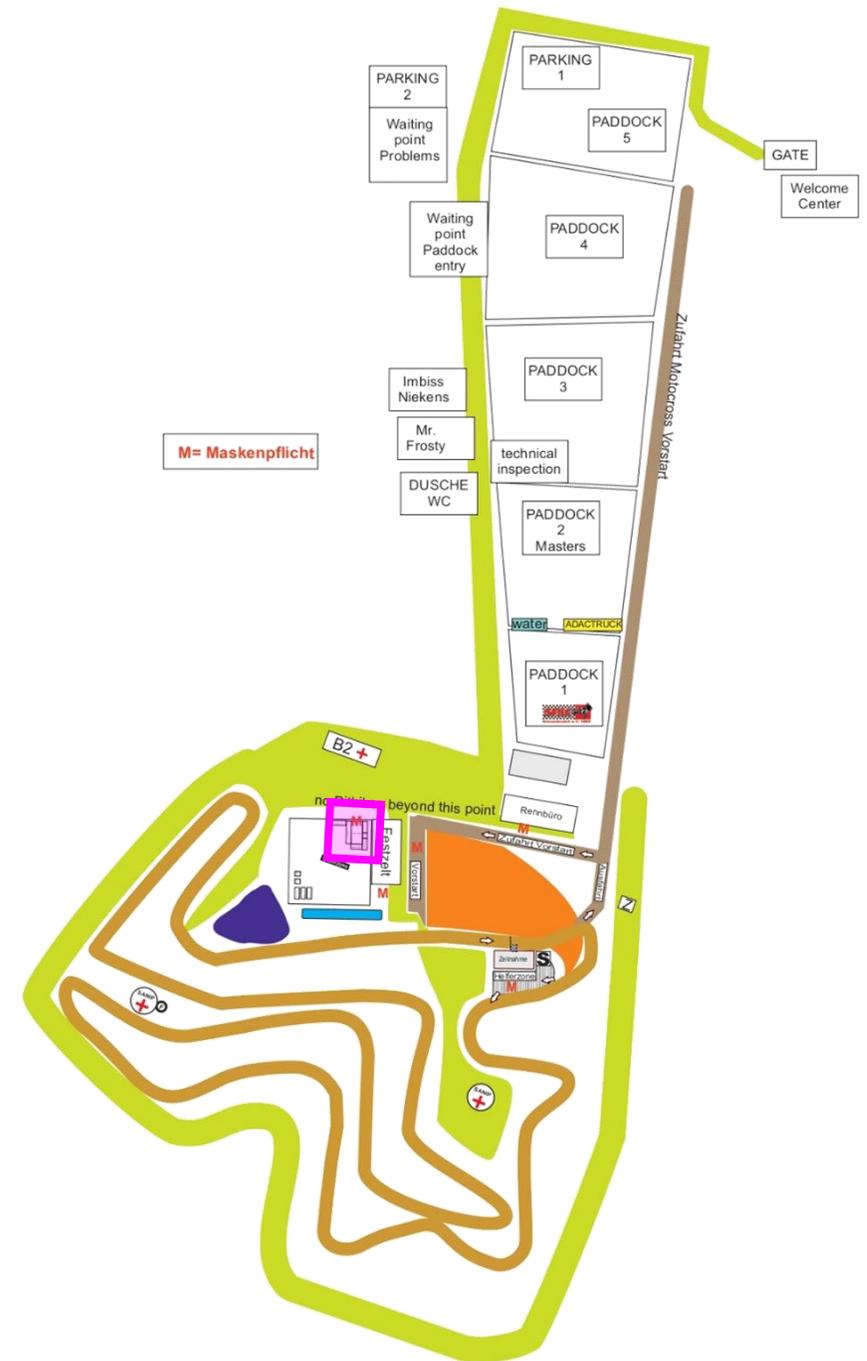

# CLEANING-SITE

**Absolute mask obligation at cleaning-site!**

**Only the washing machines provided by the organizer may be used.**

**Washing outside the cleaning-site is prohibited!**

There are 10 wash boxes at disposal. All persons are requested to complete the washing process as quick as possible.

# TIMEKEEPING

## Livetimes

At every ADAC MX Masters event site (paddock and mechanic box), live timing is accessible via the timekeeping WLAN.

To do this, select the website [www.timekeeping.local](http://www.timekeeping.local) on your browser after dialing into the WLAN.

Via WLAN you can also view or download all result lists.  
**There will be no printed lists at the race office or in the press area!**

All results/lists will be available on the MX Masters website after the event!

## Transponders

Transponders can be borrowed for a fee of **20,-€ plus 10,-€ deposit** per weekend during administrative checks.

After the races transponders are taken back at the race office. Licenses are returned and prize money if paid out at the race office as well.

# PITBIKES

Only teams with a team enrolment are allowed to use a pitbike (marked with a valid pitbike sticker) at the paddock.

For all others, pit biking is prohibited. The organizer and the ADAC will control compliance with the ban.

## Pitbike Areas

- From parking lot and paddock to prestart

- Infield
- Access road to marquee

**The organizer reserves the right to individually prohibit the Pitbike in case of abuse or recklessness.**

# SERVICE

## Servicepartner

The following ADAC service partners will be at your disposal on the event site:

- Bridgestone Reifenservice
- Mefo Rennservice
- Pepper Motorsport
- ORS Odenthal Racing Service
- R.R. Racing Suspension

## Waste Disposal

A garbage station is installed in the paddock. If **violations** of the specified waste disposal are registered, the organizer reserves the right to charge a **penalty** according to house rules.

# PRIZE MONEY

## Prize Money

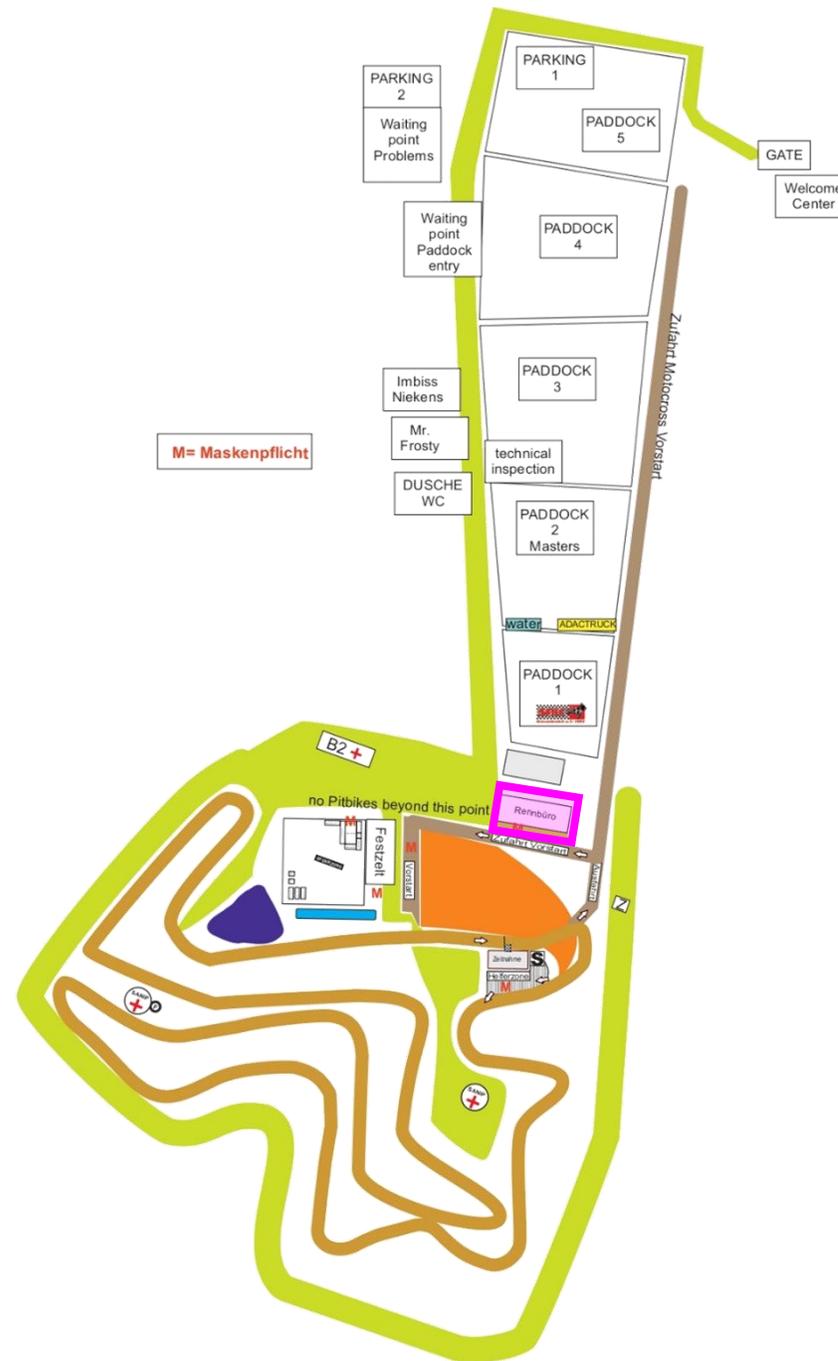

The payout takes place on **Sunday from 16 o'clock** at the **race office**. Riders will also receive their licenses back.

## Annual Prize Money

The annual prize money will be paid to all riders by a bank transfer for the first time. At the end of September you will receive further information about the prize money payment as well as the reimbursement of the entry fee paid before Corona.

Eligible for payment of the annual prize money are riders of all classes who have participated in both events.

Masks are mandatory in these areas.  
Please make sure that the mask is worn correctly and that the minimum distance of 1,5 m is kept.

# GENERAL INFORMATION

## Test Track

The test track can be found between cleaning-site and medical tent.

## Fuel

Refueling is only allowed in the **tank boxes in the paddock or in your own vehicle/trailer**. These are **governmental regulations**, which will be **sanctioned by the organizer** in case of violation.

## Wasser

Water is available near the ADAC truck.

## Pit Radio

Pit radio between rider and pit is prohibited by the DMSB!

## Important

While working on the motorcycle an underlying pad is a requirement. Cleaning work on motorcycles is allowed in the designated cleaning-site only.

## Truck Washing Station

Truck washing stations along your route can be found at [www.lkw-waschanlagen.com](http://www.lkw-waschanlagen.com).
