- up to 14 boats started - 5 prices
- up to 18 boats started - 6 prices
- up to 23 boats started - 7 prices
- up to 30 boats started - 8 prices

Travel money for Formula R-1000 will be paid according to U.I.M. regulations, § 108.02.

Article 10 - Organization of the Races

Practice:

The practice is carried out according to official schedule on the official race track only.

Race:

The races take place at a circuit with a race distance of 1.600 meters for the long track and 1.200 meters for the short track. Distance from start to the timekeeping line is 400 meters.

Race-direction is anti-clockwise.

After finishing the 1st lap in all classes – except Formula R-1000 – Drivers use a right-left curve before them approaching the east turn.

The start positions for Heat 1 resulting from the qualifying.

Start: jetty start

Green flag: Signal, all boats ready for start.

Two minutes before the start the heat/race, the Drivers and the boats are on the jetty; three helpers per team are allowed. From shown the two minutes board up to 30 seconds board its allowed to warm up the engine. One minute before red light, a "1 minute" board will be shown. If the "30 seconds" board is shown, all engines must be switched off.

Red light will be shown. If several lights exist, one by one switched on. If all lights are on, within from 5 to 12 seconds the lights will be switched off. This is the signal for the start.

Violations against this ruled starting procedure will be punished according article 307.04 U.I.M.-Regulations.

Immediately after the start, the lights switch back to "red". It means, late starters have to wait until the jetty-start marshal give the start free.

Interruption of a heat/race: In accordance with article 311.02 U.I.M.-Regulations

Technical controls: The boats could be controlled and weight after the heats/races by Scrutineers.
After an accident, during practice or race, the affected boat must be checked by the Scrutineers.

Parc Fermé: After the race, the three first-placed boats of class Formula R-1000 must be brought into parc fermé. Further boats must be brought on instruction of the racing control into the parc fermé.

Article 11 - Protests

Protests may be lodged with the protest fee of 80,- Euro in race office in accordance with the U.I.M.-Regulations article 403.

In case of protest against technical parts the possible costs for dismounting/mounting are to be paid by the protester in advance (minimum fee 250,- Euro, determinate by Scrutineer).

Article 12 - Regulatory statutes / Bulletins

The organizer has the right to issue further prescriptions in addition to this Supplementary Regulation by Bulletin. The implementation provisions are as binding as these regulations. The Interpretation of the Supplementary Regulations and the Bulletins is incumbent upon by the Jury. The decision of the Jury is final.

As part of the Bulletins, the organizer reserves the right to execute doping controls (according to art 205.02.03 U.I.M.-Regulations) and alcohol tests for all Drivers. At no time shall the blood alcohol concentration for all drivers exceed the prescribed value (article 205.02.02 U.I.M.-Regulations).

The orders of the organizer have to be followed. Not following this could in case of emergency lead to exclusion.

Article 13 - Officials

Official DMYV Steward: Manfred Benne, Heilbronn

The Jury shall consist of a chairman and a delegate from each participating nation, if the person was registered as a delegate from the national association (article 402.01 U.I.M.-Regulations), the U.I.M. Steward and the DMYV-Steward (also a delegate).
